BUSINESS ADMINISTRATION

Program Scope
The Lam Family College of Business is made up of ten departments supervised by chairpersons. The departments are:

- Accounting
- Decision Sciences
- Economics
- Finance
- Hospitality and Tourism Management
- Information Systems
- International Business
- Labor and Employment Studies
- Management
- Marketing

The primary objectives of the Lam Family College of Business at San Francisco State University are to:

- Provide students majoring in business administration with a foundation in the basic concepts and practices of the business community, and with a particular expertise in one or more of the specialties of practice, to prepare them to think creatively and to exercise critical judgment in the making of business decisions;
- Provide other students with a general understanding of the foundations and philosophies of the business community;
- Encourage a continuous liaison with the business community to respond to the educational needs of that community;
- Encourage faculty professional development activities designed to provide service to all segments of business and education for business through academic research and publication, applied research and publication, community education and services (seminars and consulting involving non-publishable, proprietary research, for example), and self-education or study designed to improve business knowledge and expertise.

The Lam Family College of Business Student Success Center, located in the Business Building, Room 112, provides on-site academic program counseling for students enrolled or interested in business.
