BACHELOR OF SCIENCE IN BUSINESS ADMINISTRATION: CONCENTRATION IN INTERNATIONAL BUSINESS

Concentration in International Business

By specializing in international business, a student gains an understanding of the international aspects of business while concentrating in a functional business area—marketing, finance, management, export/import management, or logistics. Courses analyze the rapidly changing international environment and the new management problems and tasks that result. A student can begin a career in a functional department of a company, with the opportunity to move into international operations if a need develops. Alternatively, a student may begin working directly in international operations, including the import-export field.

Students studying abroad in California State University International Programs or an SF State Exchange Program may develop special international business concentrations with advisor approval before going abroad. Students with specific educational or career objectives may develop special international business concentrations in consultation with an advisor.

All concentration courses must be taken on a letter-grade basis. Students must have a minimum grade point average of 2.0 in all concentration courses, and International Business majors must earn a grade of C– or higher in IBUS 330.

Bachelor of Science in Business Administration: Concentration in International Business — 60 units

Prerequisites to Core Courses

In addition to the core course program required of all business majors, required core courses must be completed before enrollment in certain core courses. Most core courses have specific prerequisites that are listed within the course descriptions.

Note: DS 110, ECON 101, and ECON 102 (formerly ECON 100) are acceptable for General Education.

Except in cases of credit by examination, no more than 6 units of the core may be offered toward graduation on a CR/NC basis.

Students must earn a grade of C- or higher in core business courses being used as prerequisites for other core business courses. Students who received grades of D-, D, or D+ before spring 2005 will be given an exception to this rule for any such courses.

¹ Course must be taken for a letter grade.

Required Courses (9 units)

IBUS 590  International Environmental Analysis               3
IBUS 681  Seminar in Comparative Management                    3
IBUS 690  Global Strategic Management                          3

Geographic Area (3 units)

Select one of the following:

IBUS 591  Doing Business in Latin America                       3
IBUS 592  Doing Business in Greater China                       3
IBUS 593  Doing Business in Europe                              3
IBUS 594  Doing Business in Asia-Pacific Countries              3
IBUS 596  Doing Business in Japan                               3
IBUS 598  Doing Business in Emerging Markets                    3

Electives (9 units)

Selected from one of the emphases (course may be substituted with advisor approval).

Country Analysis and Emerging Market Environments

IBUS 598  Doing Business in Emerging Markets                    3
IBUS 676  Social Entrepreneurship in a Global Context           3
Select one IBUS elective                                       3

Global Strategy and Competencies

Select three IBUS elective courses                            9
Global Entrepreneurship
IBUS 576 Global Entrepreneurship 3
IBUS 676 Social Entrepreneurship in a Global Context 3
Select one IBUS elective 3

Global Innovation and Market Studies
IBUS 531 Cross-Cultural Innovation and Creativity in Business and Management 3
IBUS 620 Research in International Business and the Global Market 3
Select one IBUS elective 3

Global Leadership and Human Resources Management
IBUS 628 Global Human Resource Management 3
IBUS 638 Global Leadership and Cultural Competencies 3
Select one IBUS elective 3

Import/Export Management
IBUS 430 Import-Export Management and Small Business Operations 3
IBUS 576 Global Entrepreneurship 3
Select one IBUS elective 3

Elective Courses
IBUS 430 Import-Export Management and Small Business Operations 3
IBUS 440 Advanced Import-Export Management 3
IBUS 517 Legal Environment of World Business 3
IBUS 531 Cross-Cultural Innovation and Creativity in Business and Management 3
IBUS 566 Careers in International Business 3
IBUS 576 Global Entrepreneurship 3
IBUS 591 Doing Business in Latin America 3
IBUS 592 Doing Business in Greater China 3
IBUS 593 Doing Business in Europe 3

SF State Studies
Courses certified as meeting the SF State Studies requirements may be upper or lower division in General Education (GE), in a major or minor, or an elective.
American Ethnic and Racial Minorities (AERM) LD or UD 3
Environmental Sustainability (ES) LD or UD 3
Global Perspectives (GP) LD or UD 3
Social Justice (SJ) LD or UD 3

Note: LD = Lower Division; UD = Upper Division.

First Time Student Roadmap (4 Year)
This roadmap opens in a new tab. (bulletin.sfsu.edu/colleges/business/international-business/bs-business-administration-concentration-international-business/roadmap.html)

General Advising Information for Transfer Students
1. Before transfer, complete as many lower division requirements or electives for this major as possible.
2. The following courses are not required for admission, but are required for graduation. Students are strongly encouraged to complete these units before transfer; doing so will provide more flexibility in course selection after transfer.
   • a course in U.S. History
Bachelor of Science in Business Administration: Concentration in International Business

- a course in U.S. & California Government
- a 2nd-semester course in written English composition

For information about satisfying the requirements described in (1) and (2) above at a California Community College (CCC), please visit http://www.assist.org. Check any geographically accessible CCCs; sometimes options include more than one college. Use ASSIST to determine:

- Which courses at a CCC satisfy any lower division major requirements for this major, including 2nd-semester composition;

Remedial courses are not transferable and do not apply to the minimum 60 units/90 quarters required for admission.

Additional units for courses that are repeated do not apply to the minimum 60 units required for upper division transfer (for example, if course was not passed on the first attempt, or was taken to earn a better grade).

Before leaving the last California community college of attendance, obtain a summary of completion of lower division General Education units (IGETC or CSU GE Breadth). This is often referred to as a GE certification worksheet. SF State does not require delivery of this certification to Admissions, but students should retain this document for verifying degree progress after transfer.

Credit for Advanced Placement, International Baccalaureate, or College-Level Examination Program courses: AP/IB/CLEP credit is not automatically transferred from the previous institution. Units are transferred only when an official score report is delivered to SF State. Credit is based on the academic year during which exams were taken. Refer to the University Bulletin in effect during the year of AP/IB/CLEP examination(s) for details regarding the award of credit for AP/IB/CLEP.

Students pursuing majors in science, technology, engineering and mathematics (STEM) disciplines often defer 6-9 units of lower division general education in areas C and D until after transfer in order to focus on preparation courses for the major. (This advice does not apply to students pursuing associate degree completion before transfer.)

Transferring from institutions other than CCCs or CSUs

Review SF State’s lower division General Education requirements. Note that, as described below, the four basic skills courses required for admission meet A1, A2, A3, and B4 in the SF State GE pattern. Courses that fulfill the remaining areas of SF State’s lower division GE pattern are available at most two-year and four-year colleges and universities.

Of the four required basic skills courses, a course in critical thinking (GE A3) may not be widely offered outside the CCC and CSU systems. Students should attempt to identify and take an appropriate course no later than the term of application to the CSU. To review more information about the A3 requirement, please visit http://bulletin.sfsu.edu/undergraduate-education/general-education/lower-division/#AAEL.

Identify and complete a 2nd-semester written English composition course before transfer. This is usually the next course after the typical “freshman comp” course, with a focus on writing, reading and critical analytical skills for academic purposes, and developing skills in composing, revising, and the use of rhetorical strategies.

Waiting until after transfer to take a single course at SF State that meets both US and CA/local government requirements may be an appropriate option, particularly if transferring from outside of California.

All students must meet the transfer eligibility requirements outlined below for admission.

For more information, visit the Undergraduate Admissions section.

- Complete 60 or more transferable semester units or 90 or more quarter units
- Earn a college grade point average of 2.00 or better in all transferable courses. Non-local area residents may be held to a higher GPA standard.
- Be in good standing at the last college or university attended
- Complete 30 semester units (45 quarter units) of general education, including four basic skills courses:
  a. One course in oral communication (same as CSU GE area A1)
  b. One course in written composition (same as CSU GE area A2)
  c. One course in critical thinking (same as CSU GE area A3)
  d. One course in mathematics or quantitative reasoning, with intermediate algebra as a prerequisite (same as CSU GE area B4)

- The four basic skills courses and a minimum of 60 transferable semester units (90 quarter units) must be completed by the spring semester prior to fall admission, or by the fall semester prior to spring admission. Earn a “C” or better grade in each basic skills course.
