The Master of Arts in Education: Concentration in Elementary Education provides elementary school teachers with advanced knowledge and training in research, theory, and practice for working with children and families in multicultural and multilingual early childhood settings. This degree provides infant, toddler, preschool, primary grade, community college educators, and early childhood administrators with the skills and knowledge for teaching and leadership positions in the field of early childhood education. Courses taken for the program can qualify for Teacher and Administrator levels of the California Child Development Matrix. Twelve units of the Multiple Subject Credential, ECE TK-5th Focus can be transferred to this MA program.

The Master of Arts in Education: Concentration in Elementary Education provides elementary school teachers with advanced knowledge of research, theory, and practice in the field of elementary education in general as well as in particular subject matter disciplines. This concentration is a continuation of the SF State Multiple Subjects Credential Program and is only open to students who have completed their credential within two years of applying to the M.A. Twelve units of the Multiple Subject Credential Program can be transferred to this MA program.

The Master of Arts in Education: Concentration in Mathematics Education provides elementary, middle school, high school teachers with advanced knowledge of research, theory, and practice in the teaching and learning of school mathematics and expands their knowledge of mathematics content. This program is run jointly with the secondary education department. Those holding a single subject mathematics credential should apply through the secondary department. Teachers holding Multiple Subject credentials will be eligible to apply for a supplementary authorization in mathematics for middle school teaching. This degree also prepares teachers to assume leadership roles in their schools and districts.

The Reading & Literacy Added Authorization Certificate: Admission to the Reading Certificate program requires that the candidate hold a valid elementary or secondary teaching credential, either (1) a teaching credential that requires a bachelor’s degree and a professional preparation program that includes student teaching, or (2) a clear, full-time designated subjects teaching credential, provided the holder also possesses a bachelor’s degree and has passed the CBEST. Applicants must have a 3.0 GPA in the last 60 semester units.

The applicant must verify three years of successful, full-time teaching experience in any grades or subjects, pre-school through adult at the time of program completion. Applicant must hold a California teaching credential. Out of state credentials must meet the requirements of the California Commission on Teacher Credentialing. Reading Certificate (15 units).
