### Complementary Studies

Students completing a Bachelor of Arts in Africana Studies must complete 12 units in Complementary Studies in courses bearing a prefix other than AFRS or courses cross-listed with AFRS. These units may be in:

1. a language other than English;
2. one course from each AA S, AFRS, LTNS, and RRS;
3. four courses from one prefix: AA S or AFRS or LTNS or RRS;
4. a minor or certificate;
5. units earned in a study abroad program; or
6. a coherent group of courses complementary to the major.

With the approval of an advisor in the major, courses which fulfill the Complementary Studies requirement may be lower- or upper-division units, resident, or transfer units.

Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu).

A course in statistics, such as MATH 124, A U 116, or A U 117, is highly recommended.

---

1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105/ENG 105/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105/ENG 105/ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet SF State Studies requirements (AERM, GP, ES, SJ) within your GE or major.

8  **Area Emphasis:** Students are required to focus on an area of emphasis in Africana Studies, American Indian Studies, Asian American Studies, or Latina/Latino Studies. In addition, the program offers students the opportunity to study Arab Muslim ethnicities and diaspora, and race and resistance studies employing comparative methodology. Courses selected to fulfill the emphasis will provide a student with the subject matter foundation to complete the culminating research project field study or thesis. Upon advisement, upper division/graduate course work in the College of Ethnic Studies and other departments on campus may be used.
