To Do at SF State:

Enough total units to reach 120 minimum for graduation; 40 units minimum at the upper-division level; to include the following:

**University-Wide Requirements: 3-12 units**

- American Institutions: Satisfied by courses required for the AIS core.
- University Graduation Writing Assessment Requirement/GWAR (3 units): ETHS 300GW.
- Upper-Division GE (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering the major with the AA-T in Social Justice Studies are not required to fulfill SF State Studies requirements.
- Complementary Studies: Consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

**American Indian Studies Major: 39 units**

- Core (21 units)
- Electives (18 units): Electives are organized into four areas of emphasis: California Indian Studies; Creative Arts and the Humanities; Law, Politics, and Society; Science, Health, and Environmental Studies. Students may select Electives from a single emphasis, or from all four emphases. Consult with a department advisor.

**University Electives: 15 or More Units**

Units depending on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g., in both UD GE and the major.
