1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet SF State Studies requirements (AERM, GP, ES, SJ) within your GE or major.

3. **Complementary Studies**
   Bachelor of Arts students must complete 12 units of Complementary Studies outside of the primary prefix for the major and not cross-listed with the primary prefix for the major.
   Students who complete two majors or a major and a minor automatically complete the complementary studies requirement.
   Students in the Asian American Studies major may also satisfy the Complementary Studies requirement by completing one of the following options:
   - 12 units from an Asian Language Complementary Studies cluster.
   - 3 units from each of these prefixes: AFRS, AIS, LTNS, and RRS (may not be from courses that are cross-listed with AA S).
   - 12 units from one of these prefixes: AFRS, AIS, LTNS, or RRS (may not be from courses that are cross-listed with AA S).
   - 12 units as partial completion of a minor.
   - 12 units as partial completion of a certificate.
   - 12 units from an Asia-related study abroad program.
   - Upon advisement, a coherent group of courses complementary to the major.

   With the approval of an advisor in the major, courses that fulfill the Complementary Studies requirement may be lower- or upper-division units, resident, or transfer units.

4. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

5. Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center. Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website.

6. A course in statistics, such as MATH 124, A U 116, or A U 117, is highly recommended.

Area Emphasis: Students are required to focus on an area of emphasis in Africana Studies, American Indian Studies, Asian American Studies, or Latina/Latino Studies. In addition, the program offers students the opportunity to study Arab Muslim ethnicities and diaspora, and race and resistance studies employing comparative methodology. Courses selected to fulfill the emphasis will provide a student with the subject matter foundation to complete the culminating research project field study or thesis. Upon advisement, upper-division/graduate course work in the College of Ethnic Studies and other departments on campus may be used.
