- ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
- To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.
- Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
- To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https:// mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)
- ⁵ Complementary Studies

Bachelor of Arts students must complete 12 units of Complementary Studies outside of the primary prefix for the major and not cross-listed with the primary prefix for the major.

Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement. Students in the Race and Resistance Studies major may also satisfy the Complementary Studies requirement by completing one of the following options:

- 12 units from one or more of these prefixes: AFRS, AIS, AA S, or LTNS (may not be from courses that are cross-listed with RRS).
- 12 units of a heritage, native, or foreign language.
- 12 units as partial completion of a minor.
- 12 units as partial completion of a certificate.
- · 12 units from a study abroad program.

Upon consultation with an advisor, student may designate a coherent group of courses complementary to the major. For example, students may complete 12 units in a related area such as health disparities; genders and sexualities; revolutionary thinkers; cultural production and representation; social justice; civic & community engagement; fantastic futures; or religiosities and spiritual movements. With the approval of an advisor in the major, courses that fulfill the Complementary Studies requirement may be lower- or upper-division units, resident or transfer units.

⁶ Major Electives - 9 units

Three RRS Courses - 9 units

At least six elective units should be upper-division.

± Given catalog rights, fall 2023 transfer students do not need to complete an Area F course.
