1 ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
2 To avoid taking additional units, it is recommended that you meet SF State Studies (AERM, GP, ES, SJ) and Ethnic Studies requirements within your GE or major.

3 Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

4 Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center/). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu/).

5 Complementary Studies
Bachelor of Arts students must complete 12 units of Complementary Studies outside of the primary prefix for the major and not cross-listed with the primary prefix for the major.

Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement. Students in the Race and Resistance Studies major may also satisfy the Complementary Studies requirement by completing one of the following options:

- 12 units from one or more of these prefixes: AFRS, AIS, AA S, or LTNS (may not be from courses that are cross-listed with RRS).
- 12 units of a heritage, native, or foreign language.
- 12 units as partial completion of a minor.
- 12 units as partial completion of a certificate.
- 12 units from a study abroad program.

Upon consultation with an advisor, student may designate a coherent group of courses complementary to the major. For example, students may complete 12 units in a related area such as health disparities; genders and sexualities; revolutionary thinkers; cultural production and representation; social justice; civic & community engagement; fantastic futures; or religiosities and spiritual movements.

With the approval of an advisor in the major, courses that fulfill the Complementary Studies requirement may be lower- or upper-division units, resident or transfer units.

6 Major Electives - 12 units
Three RRS Courses - 9 units
One AA S, AFRS, AIS, LTNS, or RRS Course - 3 units
San Francisco State University is located within the territories of the Ohlone peoples and the Federated Indians of Graton Rancheria (the Coastal Miwok and Southern Pomo peoples), so we recommend students consider AIS 160 or AIS 420 when selecting their electives. At least six elective units should be upper-division.
