To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

University-Wide Requirements: 9-12 Units

- American Institutions (0-3 units): US Government, California State and Local Government requirements if not taken before transfer. US History is complete.
- Upper-Division GE, Areas B, C, and D (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering this major with the AA-T in Social Justice Studies are not required to fulfill SF State Studies requirements.
- Complementary Studies: Consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

Race and Resistance Studies Major: 27-33 Units

- Core (21)
- Course taken for AA-T satisfies RRS 100 (C-ID SJS 110)
- Electives (6-12 units)
- In consultation with an advisor, lower-division transfer courses may satisfy up to 6 units.

University Electives: 21 or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State - some courses may meet more than one requirement, e.g. UD GE and the major.
