To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

University-Wide Requirements: 9–15 units
   • American Institutions (0-6 units): US History, US Government, California State and Local Government requirements if not taken before transfer
   • Upper-Division GE, Areas B, C, and D (9 units): Courses required for the major may double-count if approved for UD GE.
   • Students entering this major with the AS-T in Early Childhood Education are not required to fulfill SF State Studies requirements.
   • Completion of major requirements includes completion of Complementary Studies.

CAD major (Concentration in School Age Child and Family): 39-40 units
CAD 210 and CAD 260 met in transfer.
   • Core (18 units): Includes GWAR.
   • Concentration (21-22 units): Includes Capstone.
   • A minimum grade of C or better is required for all courses in the major.

University Electives: 6 or more units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g., both in UD GE and the major.
