- ¹ To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.
- ² ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
- ³ Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center/>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu/>).
- ⁴ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
- ⁵ **Complementary Studies**
Bachelor of Arts students must complete at least 12 units of Complementary Studies outside of the primary prefix for the major. (**Note:** Students may not use an alternate prefix that is cross-listed with the primary prefix for the major.)
Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement. Students in the Bachelor of Arts in Family & Consumer Sciences major who wish to satisfy the Complementary Studies Requirement with a coherent group of courses complementary to the major must have the courses approved by an advisor in the major. Consult with a major advisor for assistance.
