¹ ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

² To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.

³ Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their [Student Center](#). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the [Developmental Studies Office Website](#).

⁴ **Complementary Studies**
Students completing a Bachelor of Arts in Social Work (BASW) degree must complete 12 units in Complementary Studies in courses bearing a prefix other than Social Work (S W), and not cross-listed with Social Work. The courses required of all students who are admitted to the BASW program will also satisfy the CS requirement: Introductory Sociology (SOC 105 or equivalent); Introductory Psychology (PSY 200 or equivalent); Macroeconomics (ECON 102 or equivalent); and an introductory-level course in Human Biology (BIOL 100 or equivalent, Lab not required).

⁵ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
