1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet SF State Studies requirements (AERM, GP, ES, SJ) within your GE or major.

3. Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu).

4. **Complementary Studies**
   Students completing a Bachelor of Arts in Social Work (BASW) degree must complete 12 units in Complementary Studies in courses bearing a prefix other than Social Work (S W), and not cross-listed with Social Work. The courses required of all students who are admitted to the BASW program will also satisfy the CS requirement: Introductory Sociology (SOC 105 or equivalent); Introductory Psychology (PSY 200 or equivalent); Macroeconomics (ECON 102 or equivalent); and an introductory-level course in Human Biology (BIOL 100 or equivalent, Lab not required).

5. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
