---

1. It is recommended that you meet LLD and SF State Studies requirements (AERM, GP, ES, SJ) within your GE to avoid taking additional units.
2. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
3. Depending on courses completed through Early Start, students in Pathway/Category 3 or 4 may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu).
4. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
Complementary Studies

Students completing a Bachelors of Arts in Urban Studies and Planning must complete 12 units in complementary courses bearing a prefix other than USP and not cross-listed with USP. The units used to satisfy Complementary Studies may be in a minor (or a partial minor if the minor requires more than 12 units), a foreign language, or a coherent group of courses from the following departments/college: Political Science, Geography, History, Sociology, Environmental Studies, Economics, and the departments in the College of Ethnic Studies. All complementary studies units must be approved by an advisor in the major.

Any courses with prefixes other than USP or cross-listed with USP that can be counted toward the major can also count toward the Complementary Studies Requirement.
