2. To avoid taking additional units, it is recommended that you meet SF State Studies requirements (AERM, GP, ES, SJ) within your GE.
3 Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu).

4 Complementary Studies
All candidates for the Bachelor of Arts degree in Anthropology must complete at least 12 units of Complementary Studies from courses outside the primary prefix for the major, and not cross-listed with the primary prefix for the major. Students who complete a 2nd major, a minor, or a minimum of 12 units in an approved Study Abroad program, automatically complete the Complementary Studies requirement.

Other options for complementary studies are:
1. Foreign Language: 12 units in a single foreign language; or
2. Related Subjects: 12 units of coursework in related disciplines with the approval of an Anthropology Department advisor.

Related disciplines typically include courses in the College of Ethnic Studies, Classics, Geology, Geography, Sexuality Studies, Sociology, History, Language Studies, and Women and Gender Studies. Up to six units may be double-counted towards the fulfillment of the University-Wide elective units for the major. Units may be upper-division, lower-division, transfer, or resident units.

5 Upper-division units selected from any courses with the ANTH prefix including those from the two areas that have not been used to fulfill the area requirements. Students may choose six units from Area 2 and reduce the number of anthropology electives to 13 units.
