

# ANTHROPOLOGY SF SCHOLARS ROADMAP

The San Francisco State Scholars program provides undergraduate students with an accelerated pathway to a graduate degree. Students in this program pursue a bachelor's and master's degree simultaneously. This program allows students to earn graduate credit while in their junior and/or senior year, reducing the number of semesters required for completion of a master's degree.

**This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.**

<sup>3</sup> Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center/>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu/>).

<sup>4</sup> Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

<sup>5</sup> **Complementary Studies**

All candidates for the Bachelor of Arts degree in Anthropology must complete at least 12 units of Complementary Studies from courses outside the primary prefix for the major, and not cross-listed with the primary prefix for the major. Students who complete a second major, a minor, or a minimum of 12 units in an approved Study Abroad program, automatically complete the Complementary Studies requirement.

Other options for complementary studies are:

1. Foreign Language: 12 units in a single foreign language; or
2. Related Subjects: 12 units of coursework in related disciplines with the approval of an Anthropology Department advisor.

Related disciplines typically include courses in the College of Ethnic Studies, Classics, Geology, Geography, Sexuality Studies, Sociology, History, Language Studies, and Women and Gender Studies. Up to 6 units may be double-counted towards the fulfillment of the University-Wide elective units for the major. Units may be upper-division, lower-division, transfer, or resident units.

<sup>1</sup> ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

<sup>2</sup> To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE.

**6 Anthropology Subfields**

At least one upper-division course (Area 1, Area 2, or electives) must be taken in each of the three subfields: biological, cultural/visual, and archaeology. No more than 6 units can be taken in internships (ANTH 695), independent study (ANTH 699), and teaching (ANTH 685) combined. If an Anthropology course is not listed below, consult an advisor to determine the subfield.
