1 ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy GE Area A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2 To avoid taking additional units, it is recommended that you meet SF State Studies requirements (AERM, GP, ES, SJ) within your GE or major.
Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center. Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website.

**Complementary Studies**
All candidates for the Bachelor of Arts degree in Art must complete 12 units of Complementary Studies from courses bearing a prefix other than ART, and not cross-listed with ART. Students may satisfy this requirement in a variety of ways designed to facilitate timely graduation. Under advisement students may complete 12 units of coursework in a single foreign language, an approved study abroad program, or partial completion of a second major, minor, or certificate program in a related area of study. Related areas include Museum Studies, Design and Industry, Cinema, Music and Dance, Theatre, and Business. Requirements vary for each of the four Art concentrations (Studio, Art History, Art Education, and Studio/Art History) and students are strongly encouraged to work closely with their major advisor toward completion of this requirement.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units. Note: Students who complete two majors, or a major and a minor, automatically complete the Complementary Studies requirement.

Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

**Upper-Division Art History (12 units total)**
Choose at least one 20th/21st century topic:
