ENG 214 or equivalent is a prerequisite to BECA 300GW. Completion of BECA 200, BECA 300GW and BECA 340 with a grade of C or better is required for enrollment in the production sequence and many advanced BECA classes. Progress in the major and length of time for degree completion will be impacted if an ENG 214-equivalent course is not completed before transfer. Students who need to take ENG 214 will not be able to enroll in BECA 300GW, BECA 340, or other upper division BECA courses in the first semester, and are advised to focus on completion of upper division GE instead.

To Do at SF State:

Enough total units to reach 120 minimum for graduation; 40 units minimum at the upper division level; to include the following:

### University-Wide Requirements: 6–18 Units

- ENG 214 or equivalent A4 course (0–3 units) if not taken before transfer.
  - Upper division GE, areas B, C and D (9 units): Check for UD GE courses that satisfy both Major and American Institutions requirements.
- Students entering this major with the AS-T in Film, Television, Video and Electronic Media are not required to fulfill SF State Studies requirements.
- Complementary Studies: consult with a department advisor on how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.
BECA Major: 35–39 Units
BECA 200 and BECA 230–BECA 231 met in transfer; BECA 240–BECA 241 may have been completed.

- Prerequisites Core/GWAR (6 units)
- Core Foundation (9–13 units): Audio and Video Production may be complete if TV Studio Production course taken in AS-T. If so, select one course from each of the remaining three areas. If not, take four courses for the Core Foundation.
- Electives in an Area of Emphasis (20 units): Must be upper division courses; approval of BECA faculty advisor required.

University Electives: Two or More Units
Units depending on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g., in both UD GE and the major.
