1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet SF State Studies requirements (AERM, GP, ES, SJ) within your GE.

3. Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu).

6. Complementary Studies
   - Twelve units of Complementary Studies are required of all candidates for the Bachelor of Arts degree in BECA. These units must come from courses bearing a prefix other than BECA, and not cross-listed with BECA. BECA majors will be offered several pathways toward completing this requirement, each of which is designed to facilitate graduation in a timely manner:
     1. 12 units in a single foreign language;
     2. 12 units taken in an approved study abroad program (e.g., CSU Study Abroad);
     3. 12 units taken as partial completion of a second major, minor or a certificate; or
     4. 12 units in a related discipline.
   - With approval from a BECA advisor, up to six units of Complementary Studies may be used to count toward the major.
   - Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.

7. Electives in an Area of Emphasis (20 units)
   - Twenty units chosen from courses in BECA or other departments with approval of a BECA faculty advisor. Units from core courses not used to fulfill core requirements in any of the areas listed above may be counted as electives in an area of emphasis with the approval of a BECA faculty advisor.
