BACHELOR OF ARTS IN CLASSICS

All Classics majors are expected to take 18 units of core courses and 18 units of electives, as specified in the Degree Requirements.

Advising

To ensure adequate planning of a student's program, all majors must consult an advisor regularly throughout their undergraduate years. A list of Department of Classics advisors and a schedule of their availability can be found at the Classics website.

Students are also advised to consult with the University’s Advising Center or the ARC (Advising Resource Center for the College of Liberal & Creative Arts in Humanities Building, Room 112) for information about General Education and other University requirements.

Program Learning Outcomes

1. Students will acquire sufficient proficiency in Latin and/or Greek to read and interpret basic texts in the original language(s). (language)
2. Students will become familiar with the broad diachronic development of ancient Mediterranean cultures. (history)
3. Students will acquire an understanding of how material evidence informs our understanding of ancient Mediterranean cultures. (material culture)
4. Students will learn to develop cogent arguments in writing about various topics in the study of the ancient Mediterranean. (writing)
5. Students will apply their knowledge of ancient Mediterranean languages and cultures toward a richer understanding of their own language and culture. (connections)

Steps to Change Major

Students may change their major by visiting with any of the Department of Classics advisors. A list of Department of Classics advisors and a schedule of their availability can be found at the Classics website.

Students may also change their majors online through the Student Center. (Log into SF State Gateway / MySFSU, navigate to Student Center, and select Change Major/Minor). If you encounter any difficulties, please contact any Departmental advisor.

Electives (18 Units)

Select six elective courses, upon advisement, from CLAS, CLAR, GRE, and LATN prefixes, at least two of which must be upper division. With the permission of an advisor, three electives can be taken in another department.

Culminating Experience

All undergraduate students will complete a culminating experience project with one of the following components:

- A demonstration of oral and written skills in Latin and/or Greek. This demonstration has three parts: oral declamation of a prose passage; written transcription of a prose passage dictated by a test administrator; and oral declamation of passage of poetry (scansion) in dactylic hexameter.
- A comprehensive reflective statement focused on the role that receiving a Classical education at SF State has and will play in the student's life.
- A display of the student's best projects from their Classics coursework (e.g. term papers, translations, archaeological reconstructions).

These components may be fulfilled through in-person meetings with a Classics undergraduate advisor, but students wishing to develop and display information competency are encouraged to complete these components in electronic form (website, etc.).

Complementary Studies

Bachelor of Arts students must complete at least 12 units of complementary studies outside of the primary prefix for the major. (Note: Students may not use an alternate prefix that is cross-listed with the primary prefix for the major.)

Students who complete two majors or a major and a minor automatically complete the complementary studies requirement. Additional ways to complete the CS requirements for students in the classics major is to complete 12 units in Greek (GRE) or Latin (LATN) or some combination.

Students General Advising Information for Transfer

Composition for Multilingual Students: If taking ENG 204 for your first
English course, choose the ENG 104/ENG 105 row.

1. Before transfer, complete as many lower-division requirements or electives for this major as possible.

### Transferring From Institutions Other Than CCCs or CSUs

Review SF State’s lower-division General Education requirements.

Note that, as described below, the four basic skills courses required for admission meet A1, A2, A3, and B4 in the SF State GE pattern. Courses that fulfill the remaining areas of SF State’s lower-division GE pattern are available at most two-year and four-year colleges and universities.

Of the four required basic skills courses, a course in critical thinking (GE A3) may not be widely offered outside the CCC and CSU systems. Students should attempt to identify and take an appropriate course no later than the term of application to the CSU. To review more information about the A3 requirement, please visit http://bulletin.sfsu.edu/undergraduate-education/general-education/lower-division/#AAEL.
Waiting until after transfer to take a single course at SF State that meets both US and CA/local government requirements may be an appropriate option, particularly if transferring from outside of California.

All Students Must Meet the Transfer Eligibility Requirements Outlined Below for Admission.

For more information, visit the Undergraduate Admissions section.

• Complete 60 or more transferable semester units or 90 or more quarter units
• Earn a college grade point average of 2.0 or better in all transferable courses. Non-local area residents may be held to a higher GPA standard.
• Be in good standing at the last college or university attended
• Complete 30-semester units (45-quarter units) of general education, including four basic skills courses:
  a. One course in oral communication (same as CSU GE Area A1)
  b. One course in written composition (same as CSU GE Area A2)
  c. One course in critical thinking (same as CSU GE Area A3)
  d. One course in mathematics or quantitative reasoning (same as CSU GE Area B4)
• The four basic skills courses and a minimum of 60 transferable semester units (90-quarter units) must be completed by the spring semester prior to fall admission, or by the fall semester prior to spring admission. Earn a "C-" or better grade in each basic skills course.
