- ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
- To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.
- To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

Complementary Studies

Bachelor of Arts students must complete at least 12 units of Complementary Studies outside of the primary prefix for the major. (Note: Students may not use an alternate prefix that is cross-listed with the primary prefix for the major.)

Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement. Additional ways to complete the CS requirement for students in the Classics major is to complete 12 units in Greek (GRE (http://bulletin.sfsu.edu/courses/gre/)) or Latin (LATN (http://bulletin.sfsu.edu/courses/latn/)) or some combination of both.

⁵ Electives (18 Units)

Select six elective courses, upon advisement, from CLAS (http://bulletin.sfsu.edu/courses/clas/), CLAR (http://bulletin.sfsu.edu/courses/clar/), GRE (http://bulletin.sfsu.edu/courses/gre/), and LATN (http://bulletin.sfsu.edu/courses/latn/) prefixes, at least two of which must be upper-division. With the permission of an advisor, three electives can be taken in another department.

- Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
- ⁷ Or a GWAR course in another department upon advisement.

Survey (9 units)

CLAS 410/HUM 401 Ancient Greek Literature (3 units) (UD-C) CLAS 415/HUM 402 Ancient Roman Literature (3 units) (UD-C) CLAR 420/ARTH 401 Art and Archaeology of Ancient Greece (3 units) CLAR 425/ARTH 402 Art and Archaeology of Ancient Rome (3 units)

* Culminating Experience

All undergraduate students will complete a culminating experience project with one of the following components:

- A demonstration of oral and written skills in Latin and/or Greek.
 This demonstration has three parts: oral declamation of a prose passage; written transcription of a prose passage dictated by a test administrator; and oral declamation of passage of poetry (scansion) in dactylic hexameter.
- A comprehensive reflective statement focused on the role that receiving a Classical education at SF State has and will play in the student's life.
- A display of the student's best projects from their Classics coursework (e.g. term papers, translations, archaeological reconstructions).

These components may be fulfilled through in-person meetings with a Classics undergraduate advisor, but students wishing to develop and display information competency are encouraged to complete these components in electronic form (website, etc.).

± Given catalog rights, fall 2023 transfer students do not need to complete an Area F course.
