- ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
- To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.
- Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu>).
- Complementary Studies**
Bachelor of Arts students must complete at least 12 units of Complementary Studies outside of the primary prefix for the major. (Note: Students may not use an alternate prefix that is cross-listed with the primary prefix for the major.)
Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement. Additional ways to complete the CS requirement for students in the Classics major is to complete 12 units in Greek (GRE (bulletin.sfsu.edu/courses/gre)) or Latin (LATN (bulletin.sfsu.edu/courses/latn)) or some combination of both.
- Electives (18 Units)**
Select six elective courses, upon advisement, from CLAS (bulletin.sfsu.edu/courses/clas), CLAR (bulletin.sfsu.edu/courses/clar), GRE (bulletin.sfsu.edu/courses/gre), and LATN (bulletin.sfsu.edu/courses/latn) prefixes, at least two of which must be upper-division. With the permission of an advisor, three electives can be taken in another department.
- Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

⁷ Or a GWAR course in another department upon advisement.

⁸ **Survey (9 units)**

CLAS 410/HUM 401 Ancient Greek Literature (3 units) (UD-C)

CLAS 415/HUM 402 Ancient Roman Literature (3 units) (UD-C)

CLAR 420/ARTH 401 Art and Archaeology of Ancient Greece (3 units)

CLAR 425/ARTH 402 Art and Archaeology of Ancient Rome (3 units)

* **Culminating Experience**

All undergraduate students will complete a culminating experience project with one of the following components:

- A demonstration of oral and written skills in Latin and/or Greek. This demonstration has three parts: oral declamation of a prose passage; written transcription of a prose passage dictated by a test administrator; and oral declamation of passage of poetry (scansion) in dactylic hexameter.
- A comprehensive reflective statement focused on the role that receiving a Classical education at SF State has and will play in the student's life.
- A display of the student's best projects from their Classics coursework (e.g. term papers, translations, archaeological reconstructions).

These components may be fulfilled through in-person meetings with a Classics undergraduate advisor, but students wishing to develop and display information competency are encouraged to complete these components in electronic form (website, etc.).
