- ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
- To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.
- Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center/>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu/>).

#### 4 **Complementary Studies**

Bachelor of Arts students must complete at least 12 units of Complementary Studies outside of the primary prefix for the major. (Note: Students may not use an alternate prefix that is cross-listed with the primary prefix for the major.)

Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement.

Additional ways to complete Complementary

Studies for students in the Comparative and World Literature major is completion of 12 units in a language other than English or in some other group of courses outside the CWL-prefix (and not cross-listed with CWL) that is approved by a major advisor (which may include, but is not limited to, languages other than English, units toward a minor or certificate, study abroad, and literature courses taught in other departments).

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.

5 Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

#### 6 **Program Electives (21 Units)**

In consultation with departmental advisors, students select upper-division literature courses that reflect their chosen advising pathway.

These courses may be from departments other than CWL (maximum five courses from a single literature).

**Note:** Up to four courses (12 units) in lower-division literature courses may be used toward the total courses/units in the major; two courses (6 units) of these may be in non-CWL literature courses.

##### **Advising Pathways**

###### **Comparative Literature:**

Students following the Comparative Literature pathway are advised to take courses that meet the following distribution requirements:

- Two courses in a single non-English literary tradition
- One upper-division literature course taught in and focused on a non-English language/literature
- A student-defined area of focus developed in consultation with an advisor

Note: Students following the "Comparative Literature" pathway may count up to three units of a non-literature foreign language course toward their degree.

###### **World Literature:**

Students following the World Literature pathway are advised to take CWL 230 and upper-division courses that meet the following:

- Courses that combine breadth with a student-defined area of focus developed in consultation with an advisor.
- One course may focus on history or culture from an interdisciplinary perspective, or analysis of alternative media (e.g., painting, music, video games, etc.).
