 Students who complete two majors or a major and a minor automatically complete the Complementary Studies requirement. Additional ways to complete Complementary Studies for students in the Dance major can, with the approval of a Dance Program advisor, satisfy Complementary Studies in the major with 12 units in a single foreign language of their choosing, 12 units from courses taken in a study abroad program, 12 units of courses taken as partial completion of a second major, minor or certificate, or 12 units of courses in related disciplines.
 Related disciplines typically include theater, music, cinema, broadcast and electronic communications, creative writing, journalism, kinesiology, physical education, health education, holistic health, biology, elementary education, English, history, anthropology, business, and journalism. The Dance program allows up to 12 units of dance-related disciplines to count toward the Dance major.
- ⁷ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
- ⁸ These courses are optimally organized for Performance/Choreography or teaching. Courses selected may be from either emphasis area and aligned with career goals. Six units of technique courses numbered 300 or above may be repeated in this section for credit. Other **DANC**, **THA**, and **MUS** prefix courses may be used with advisor's approval.
