To Do at SF State:

Enough total units to reach 120 minimum for graduation; 40 units minimum at the upper division level; to include the following:

University-Wide Requirements: 9–15 Units

- ENG 214 or equivalent A4 course (0 units) – satisfied via completion of English AA-T.
- American Institutions (0–6 units): US History, US Government, California State and Local Government requirements if not taken before transfer
- Upper division GE, areas B, C and D (9 units): Check for literature courses approved for UD GE (C) that also satisfy major requirements.
- Students entering this major with the AA-T in English are not required to fulfill SF State Studies requirements.
- Complementary Studies: consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

English (Literature) Major: 39 Units

Six lower division units met in transfer; see major advisor regarding how to apply these and additional units, if any.
• Major Core/GWAR (15 units)
• Major Concentration (9 units): one course each in linguistics, theory or criticism, and global literatures. Select in consultation with a major advisor.
• Major Concentration/Electives (12 units): One elective course must be in literature before 1800. See Note 1 above.
• Culminating Experience (3 units): ENG 690. Must be taken in one of the final two semesters. See Note 1 above.

University Electives: Six or More Units
Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g. in both UD GE and the major.
