

BACHELOR OF ARTS IN ITALIAN

Preparation for the Major

The Italian major consists of 30 units of upper-division coursework. Up to 14 units of lower-division coursework or demonstrated language proficiency is required for the major.

Proficiency can be demonstrated by completing the necessary lower-division courses or testing out of them.

Most upper-division courses are conducted in Italian, and students are expected to use Italian in their speaking, reading, and writing.

Writing in the Major

Students must complete the University's GVAR requirement by taking MLL 400GW, CWL 400GW, or ITAL 600GW.

Program Learning Outcomes

Upon completion of the Bachelor of Arts in Italian:

1. Language - Students will read, listen, speak and write in Italian at an intermediate to an advanced-intermediate level.
2. Linguistics - Students will identify the basic grammatical structures and elements of Italian.
3. Culture - Students will be familiar with Italian historical and cultural developments in relation to an international context.

Lower-Division Electives (3 units)

One lower-division course (e.g., ITAL 250) or related area upon advising.

Upper-Division Electives (15 units)

Any upper-division course (ITAL 300+) or related area upon advising.

Note: A minimum of 30 upper-division units must be completed for the degree (including upper-division units required for the major, general education, electives, etc.). A student can complete this major yet not attain the necessary number of upper-division units required for

graduation. In this case, additional upper-division courses will be needed to reach the required total.

Complementary Studies

Required of all candidates for the Bachelor of Arts degree in Italian are 12 units of Complementary Studies, which must come from courses bearing a prefix other than ITAL, and not cross-listed with ITAL. Complementary Studies for the Italian major can be satisfied via four possible routes:

1. 12 units in any foreign language other than Italian (may include up to three units of MLL prefix courses);
2. 12 units of coursework taken in an approved study abroad program (including CSU Study Abroad and SF State Bilateral);
3. 12 units of coursework taken as partial completion of a second major, a minor or a certificate;
4. 12 units of coursework in related disciplines with the approval of an Italian Program advisor.

Related disciplines typically include classics, linguistics, literature, humanities, philosophy, history, music, art history, education, Jewish studies, apparel design and merchandising, industrial design, and any aspect of greater Italy, Mediterranean, Italian-American or European studies.

Where a course with a non-ITAL prefix, (and not cross-listed with ITAL), is taken as a core requirement or elective for the Italian major, the said course may also (double) count towards Complementary Studies only via the Study Abroad option or the second Major/Minor/Certificate option listed above. Students satisfying Complementary Studies through the Foreign Language option are allowed a maximum of three units of overlap of MLL-prefix courses between Italian major and Complementary Studies units. Students satisfying Complementary Studies through the Related Subjects option are not allowed to double-count major and Complementary Studies units.

First-Time Student Roadmap (4 Year)

Find the correct roadmap (A, B, C, or D):

1. Select the row that matches your English Course choice for A2.*
2. Select the column that matches your QR Category (found at your student center under Math Alert).
3. Click the Roadmap that lines up with your row and column.

For example, if you are taking ENG 104 as your first English course and your student center math alert says you are QR Category III, you should choose Roadmap D.

Pathway	QR Cat I/II	QR Cat III/IV
ENG 114	Roadmap A (http://bulletin.sfsu.edu/colleges/liberal-creative-arts/foreign-language/foreign-languages-literatures-italian/ba-italian/roadmap-i-ii-eng/)	Roadmap C (http://bulletin.sfsu.edu/colleges/liberal-creative-arts/foreign-language/foreign-languages-literatures-italian/ba-italian/roadmap-iii-iv-eng/)

General Advising Information for Transfer Students

1. Before transfer, complete as many lower-division requirements or electives for this major as possible.
2. The following courses are not required for admission but are required for graduation. Students are strongly encouraged to complete these units before transfer; doing so will provide more flexibility in course selection after transfer.
 - a course in U.S. History
 - a course in U.S. & California Government

For information about satisfying the requirements described in (1) and (2) above at a California Community College (CCC), please visit <http://www.assist.org> (<http://assist.org>). Check any geographically accessible CCCs; sometimes options include more than one college. Use ASSIST to determine:

- Which courses at a CCC satisfy any lower-division major requirements for this major;
- Which courses at a CCC satisfy CSU GE, US History, and US & CA Government requirements.

Remedial courses are not transferable and do not apply to the minimum 60 semester units/90 quarter units required for admission.

Additional units for courses that are repeated do not apply to the minimum 60 units required for upper-division transfer (for example, if a course was not passed on the first attempt or was taken to earn a better grade).

Before leaving the last California Community College of attendance, obtain a summary of completion of lower-division General Education units (IGETC or CSU GE Breadth). This is often referred to as a GE certification worksheet. SF State does not require delivery of this certification to Admissions, but students should retain this document for verifying degree progress after transfer.

Credit for Advanced Placement, International Baccalaureate, or College-Level Examination Program courses: AP/IB/CLEP credit is not automatically transferred from the previous institution. Units are transferred only when an official score report is delivered to SF State. Credit is based on the academic year during which exams were taken. Refer to the University Bulletin in effect during the year of AP/IB/CLEP examination(s) for details regarding the award of credit for AP/IB/CLEP.

Students pursuing majors in science, technology, engineering, and mathematics (STEM) disciplines often defer 6-9 units of lower-division General Education in Areas C and D until after transfer to focus on preparation courses for the major. This advice does not apply to students pursuing associate degree completion before transfer.

Transferring From Institutions Other Than CCCs or CSUs

Review SF State's lower-division General Education requirements. Note that, as described below, the four basic skills courses required for admission meet A1, A2, A3, and B4 in the SF State GE pattern. Courses that fulfill the remaining areas of SF State's lower-division GE pattern are available at most two-year and four-year colleges and universities.

Of the four required basic skills courses, a course in critical thinking (A3) may not be widely offered outside the CCC and CSU systems. Students

should attempt to identify and take an appropriate course no later than the term of application to the CSU. To review more information about the A3 requirement, please visit bulletin.sfsu.edu/undergraduate-education/general-education/lower-division/#AAEL.

Waiting until after transfer to take a single course at SF State that meets both US and CA/local government requirements may be an appropriate option, particularly if transferring from outside of California.

All Students Must Meet the Transfer Eligibility Requirements Outlined Below for Admission.

For more information, visit the Undergraduate Admissions section (<http://bulletin.sfsu.edu/undergraduate-admissions/>).

- Complete 60 or more transferable semester units or 90 or more quarter units.
- Earn a college grade point average of 2.0 or better in all transferable courses. Non-local area residents may be held to a higher GPA standard.
- Be in good standing at the last college or university attended.
- Complete 30-semester units (45-quarter units) of General Education, including four basic skills courses:
 - a. One course in oral communication (same as CSU GE Area A1)
 - b. One course in written composition (same as CSU GE Area A2)
 - c. One course in critical thinking (same as CSU GE Area A3)
 - d. One course in mathematics or quantitative reasoning (same as CSU GE Area B4)
- The four basic skills courses and a minimum of 60 transferable semester units (90-quarter units) must be completed by the spring semester prior to fall admission, or by the fall semester prior to spring admission. Earn a C- or better grade in each basic skills course.
