1 ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2 To avoid taking additional units, it is recommended that you meet SF State Studies requirements (AERM, GP, ES, SJ) within your GE or major.
Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu).

Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

Complementary Studies

Required of all candidates for the Bachelor of Arts degree in Italian are 12 units of Complementary Studies, which must come from courses bearing a prefix other than ITAL, and not cross-listed with ITAL. Complementary Studies for the Italian major can be satisfied via four possible routes:

- 12 units in any foreign language other than Italian (may include up to three units of MLL prefix courses);
- 12 units of coursework taken in an approved study abroad program (including CSU Study Abroad and SF State Bilateral);
- 12 units of coursework taken as partial completion of a second major, a minor, or a certificate;
- 12 units of coursework in related disciplines with the approval of an Italian program advisor.

Related disciplines typically include classics, linguistics, literature, humanities, philosophy, history, music, art history, education, Jewish studies, apparel design and merchandising, industrial design, and any aspect of greater Italian, Mediterranean, Italian-American, or European studies.

Where a course with a non-ITAL prefix, (and not cross-listed with ITAL), is taken as a core requirement or elective for the Italian major, the said course may also (double) count towards Complementary Studies only via the Study Abroad option or the second major/minor/certificate option listed above. Students satisfying Complementary Studies through the Foreign Language option are allowed a maximum of three units of overlap of MLL-prefix courses between Italian major and Complementary Studies units. Students satisfying Complementary Studies through the Related Subjects option are not allowed to double-count major and Complementary Studies units.

One lower-division course (e.g., ITAL 250) or related area upon advising.

Any upper-division course (ITAL 300-699) or related area upon advising.
