1. To avoid taking additional units, it is recommended that you meet LLD and SF State Studies requirements (AERM, GP, ES, SJ) within your GE or major.
2. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
3 Depending on courses completed through Early Start, students in Pathway/Category 3 or 4 may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu).

4 Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

5 Complementary Studies
Required of all candidates for the Bachelor of Arts degree in Japanese are 12 units of complementary studies, which must come from courses bearing a prefix other than JAPN, and not cross-listed with JAPN. Complementary Studies for the Japanese major can be satisfied via four possible routes:
- 12 units in any foreign language other than Japanese (may include MLL-prefixed courses);
- 12 units of course work taken as partial completion of a second major or minor;
- 12 units of course work taken in an approved study abroad program (including CSU Study Abroad and SF State Bilateral);
- 12 units of course work in related disciplines with the prior approval of a Japanese Program advisor.
Related disciplines typically include (but are not limited to) linguistics, literature, humanities, philosophy, history, art, theatre arts, anthropology, education, international relations, international business, and any aspect of East Asia or Asian Americans. Where a course with a non-JAPN prefix (and not cross-listed with JAPN) is taken as a core requirement or elective for the Japanese major, the said course may also count towards complementary studies (i.e., double-counting allowed).

6 In general, it takes two semesters of JAPN 250 to reach the mastery of 1,000 Educational Kanji, which is a prerequisite to JAPN 510.
