To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

University-Wide Requirements: 9-15 Units

- American Institutions (0-6 units): US History, US Government, California State and Local Government requirements if not taken before transfer.
- Upper-division GE (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering this major with the AA-T in Spanish are not required to fulfill SF State Studies requirements.
- Complementary Studies: consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

Spanish Major: 30 Units

Lower-division requirements completed in ADT.

- Upper-division requirements (18 units): Includes SPAN 301
- Electives (15 units): select from SPAN courses 300-699; a minimum of two courses must be 400 level or higher.

University Electives: Twelve or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g., in both UD GE and the major.
