<sup>1</sup> ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

<sup>2</sup> To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.

<sup>3</sup> Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center/>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu/>).

<sup>4</sup> **Complementary Studies**

Required of all candidates for the Bachelor of Arts degree in Spanish are 12 units of Complementary Studies, which must come from courses bearing a prefix other than SPAN, and not cross-listed with SPAN. Complementary Studies for the Spanish major can be satisfied via four possible routes:

- 12 units in any foreign language other than Spanish (may include up to 3 units of MLL prefix courses);
- 12 units of coursework taken in an approved study abroad program (including CSU Study Abroad and SF State Bilateral);
- 12 units of coursework taken as partial completion of a second major, a minor, or a certificate;
- 12 units of coursework in related disciplines with the approval of a Spanish program advisor.

Related disciplines typically include linguistics, literature, philosophy, history, education, and any aspect of Spain, Latin America, or Latino/Latina Studies.

Where a course with a non-SPAN prefix, and not cross-listed with SPAN, is taken as a core requirement or elective for the Spanish major, the said course may also (double) count towards Complementary Studies only via the Study Abroad option or the second major, minor, or certificate option listed above. Students satisfying Complementary Studies through the Foreign Language option are allowed a maximum of three units of overlap of MLL-prefix courses between Spanish major and Complementary Studies units. Students satisfying Complementary Studies through the Related Subjects option are not allowed to double-count major and Complementary Studies units.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement to ensure degree completion within 60 units.

<sup>5</sup> Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

<sup>6</sup> **Major Electives (18 units)**

Choose any six courses in Spanish numbered 300 to 699. At least three of these courses must be at the 400 level or above.

<sup>7</sup> Students are required to take at least one GVAR course in order to graduate.
