To Do at SF State:

1. ENG 214 or equivalent is a prerequisite to all upper division major courses. If not completed in transfer, in the first semester students must take ENG 214, as well as US Government, upper division GE, or University Electives. All major courses will be taken in a later semester.

University Electives: Six or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course
choices at SF State. Some courses may meet more than one requirement, e.g. both in UD GE and the major.
