

GRADUATE CERTIFICATE IN HISTORY EDUCATION

Program Learning Outcomes

1. Students will demonstrate mastery of historical knowledge and understanding in content areas related to their teaching.
2. Students will be able to research and write historical papers based on primary sources that demonstrate content mastery as well as a familiarity with primary research, historical methodologies, and bibliographical tools as models for student learning.
3. Students will think like historians, which includes, among other attributes, "historical habits of mind" and "historiographic sensibilities," i.e., a critical and self-conscious approach to the constructed nature of historical knowledge.
4. Students will be able to transfer their historical knowledge to the classroom through the design of an appropriate teaching unit.
