

HUMANITIES SF SCHOLARS ROADMAP

The San Francisco State Scholars program provides undergraduate students with an accelerated pathway to a graduate degree. Students in this program pursue a bachelor's and master's degree simultaneously. This program allows students to earn graduate credit while in their junior and/or senior year, reducing the number of semesters required for completion of a master's degree.

This roadmap is a suggested plan of study and does not replace meeting with an advisor. Please note that students may need to adjust the actual sequence of courses based on course availability. Please consult an advisor in your major program for further guidance.

¹ ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

² To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, S.J) within your GE or major.

³ Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center/>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu/>).

4 Complementary Studies

12 units of Complementary Studies are required of all candidates for the Bachelor of Arts degree in Humanities. These units must come from courses bearing a prefix other than HUM and not cross-listed with HUM. Humanities majors will be offered several pathways toward completing this requirement, each of which is designed to facilitate graduation in a timely manner. Humanities majors may, with the approval of a Humanities department advisor, elect to apply 12 units in a single foreign language of their choosing, courses taken in an approved study abroad program (e.g., CSU Study Abroad), courses taken as partial completion of a second major, a minor, or a certificate, or courses in a related discipline. Related disciplines typically include: African American Studies, American Indian Studies, American Studies, Anthropology, Art, Asian American Studies, Broadcast and Electronic Communication, Cinema, Classics, Comparative World Literature, Creative Writing, English, Foreign Languages, History, International Relations, Jewish Studies, Journalism, Liberal Studies, Middle East and Islamic Studies, Modern Greek Studies, Music, Philosophy, Political Science, Race and Resistance Studies, Theatre Arts, and Women and Gender Studies. These courses should either have a direct bearing on the study of the humanities, or they should be shown to deepen and enrich the study of humanities in particular and articulable ways. Up to 9 units of Complementary Studies can count toward the major, leaving 3 other units to be met by another course in consultation with an advisor in the department. Advisors may use a slightly higher standard for complementary for the 9 units that count for the major than for the 3 units that do not.

⁵ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.
