¹ ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

² To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.

³ Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu>).

⁴ **Complementary Studies**

12 units of Complementary Studies are required of all candidates for the Bachelor of Arts degree in International Relations. These units must come from courses bearing a prefix other than I R, and not cross-listed with I R.

International Relations majors are offered several pathways toward completing this requirement, each of which is designed to facilitate graduation in a timely manner. International Relations majors may, with the approval of an International Relations advisor, elect to apply 12 units in a single foreign language of their choosing, courses taken in an approved study abroad program (e.g., CSU Study Abroad), courses taken as part of a second major, a minor or a certificate, and courses in a related discipline. Related disciplines typically include: political science, sociology, anthropology, environmental studies, geography, global health, or journalism.

Up to six units of a single language or six upper-division units of Complementary Studies may, with the approval of a departmental advisor, also be counted as International Relations electives in fulfillment of major requirements.

Note: Courses fulfilling the IR major core requirement may not be taken on a CR/NC basis.

⁵ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

⁶ **Major Electives (18 Units)**

Students are required to complete 18 elective units related to international relations. 12 units of coursework must have an I R prefix or be cross-listed with I R. Six additional units may be taken outside of the department upon approval of a major advisor. Elective units must be upper-division courses (300-level or above) with the exception of language courses taken in the Department of Modern Languages and Literatures.
