1. Must be upper division. May be selected from the Core list, but courses cannot double-count for both Core and Elective requirements. Up to six units outside Jewish Studies may be applied to the major with approval of a department advisor.
2. ENG 214 or equivalent is a prerequisite for many upper division JS courses and for upper division GE courses. If ENG 214 equivalent is not completed prior to transfer, the GWAR course must be taken in the second semester; progress in the major and length of time for degree completion will be affected.
3. JS 301, JS 437, JS 449, JS 480, JS 540 and JS 632 satisfy Upper Division GE: UD-C.
4. JS 430 satisfies Upper Division GE: UD-D.
5. JS 449 also satisfies US History, if needed.

To Do at SF State:

Enough total units to reach 120 minimum for graduation; 40 units minimum at the upper division level, to include the following:

University-Wide Requirements: 9–18 Units
- ENG 214 or equivalent A4 course (0–3 units) if not taken before transfer.
- American Institutions (0–6 units): US History, US Government & CA State and Local Government requirements if not taken before transfer.
- Upper division GE (9 units): Many courses in the major also satisfy UD-C or UD-D. Students should attempt to enroll in a UD-B course in the first or second semester in order to complete the upper division GE requirement.
- Students entering this major with the AA-T in History or the AA-T in Political Science are not required to fulfill SF State Studies requirements.
- Complementary Studies: consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

Modern Jewish Studies Major: 30 Units
- Core (12 units)
- GWAR course (3 units) – Select from any discipline or department with approval of a Modern Jewish Studies department advisor
- Electives (12 units) – Must be upper division. May be selected from the Core list, but courses cannot double-count for both Core and Elective requirements. Up to 6 units outside Jewish Studies may be applied to the major with approval of a department advisor.
- Culminating Experience (3 units)

University Electives: Nine or More Units
Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g. in both UD GE and the major. Upper division electives recommended in order to meet the minimum 40-unit requirement.
