- ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.
- To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.
- Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center/>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu/>).
- Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

5 Complementary Studies

12 units of Complementary Studies are required of all candidates for the B.A. in Modern Jewish Studies. These units are courses that have a prefix other than JS and that are not cross-listed with Jewish Studies. Students can satisfy this requirement by completing a related minor, a second major, studying a pertinent foreign language, or through an approved study abroad program. Complementary Studies courses should relate to the Jewish Studies major, as well as deepen and enrich student focus in the major, whether that focus is religion, literature, philosophy, history, social responsibility, or the study of Israel. Such courses are typically found through the College of Liberal & Creative Arts.

Note: Students that complete two majors, a major and a minor, automatically complete the Complementary Studies requirement. Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement to ensure degree completion within 60 units.
