BACHELOR OF ARTS IN LIBERAL STUDIES

Liberal Studies (B.A.) – Minimum 45 Units

Note: the courses that appear below are approved for the major. In the event that approved courses are not offered, substitutions may be made on advisement. All units must be upper division.

Required Core Courses

Before beginning the core courses, students should have completed ENG 214 or equivalent (e.g. AFRS 214, CWL 214, or ENG 1B at a community college). LS 300GW introduces important concepts of interdisciplinary study and should be taken either before or concurrently with the Area Core Courses, usually no later than the junior year. Students are strongly encouraged to complete all Area Core Courses before taking LS 690, the culminating experience for the major, in the senior year.

Please note: the courses that appear below are approved for the major. In the event that approved courses are not offered, substitutions may be made on advisement.

Introduction to Liberal Studies (3 Units)

LS 300GW Perspectives on Liberal Studies - GWAR (Prerequisite: ENG 214 or equivalent.)

COMM 559 Theory and Practice in Advanced Public Speaking

Area II – Life Science, Physical Science, and Mathematics (6 Units)

Select one course from Life Science and one Physical Science:

Life Science

Select one course from the following:

BIOL 300 Nature Study
BIOL 310 Biology for Today’s World
BIOL 313 Principles of Ecology
BIOL 318 Our Endangered Planet
BIOL 326 Disease!
BIOL 327 AIDS: Biology of the Modern Epidemic
BIOL 330 Human Sexuality (BIOL 322 is not a substitute)
LS 430 Future of the Forests

Physical Science

Select one course from the following (or approved alternative):

CHEM 380 Chemistry Behind Environmental Pollution (Prerequisite: CHEM 115)
ERTH 310 The Violent Earth
ERTH 325 Geology of the National Parks
ERTH 330 California Water
ERTH 335 Global Warming
ERTH 360 California Weather Events
ERTH 365 Extreme Weather in a Warming World
LS 309 Physical Sciences for Elementary School Teachers

Area III – Behavioral and Social Sciences (6 Units)

Select one course from Social Sciences Core I and one from Social Sciences Core II:

LS 400 Social Sciences Core I
& LS 401 Social Sciences Core II

Area IV – Creative Arts and Humanities (6 Units)

Select one course from Thought and Image: Humanities and Thought and Image: Creative Arts:

HUM 425 Thought and Image: Humanities
& LS 426 Thought and Image: Creative Arts

Culminating Experience (3 Units)

LS 690 Liberal Studies Senior Seminar (LS 300GW is a prerequisite)
Emphasis Pattern Beyond the Core (15 Units)
Fifteen semester units beyond the core must be taken with liberal studies advisor approval, with at least six units completed at the upper division level. Students may choose to complete an approved minor in lieu of an area of emphasis. Refer to the Liberal Studies website (humanitiesliberalstudies.sfsu.edu) and consult with a major advisor regarding possible emphases.

Students interested in becoming elementary school teachers are strongly encouraged to choose the Teacher Preparation Emphasis which can be found at the end of the list of other emphasis patterns.

Area I: Communication, Language, and Literature
- English Language: Literature, Language, and Communication
- Literature and Oral Performance
- Languages and Literatures Other Than English
  - Chinese
  - Classical Languages
  - French
  - German
  - Italian

Integrated Studies
- Ancient Mediterranean Civilizations
- California Studies
- Early Childhood Education
- Gender, Culture, and Representation
- Jewish Studies

Teacher Preparation Emphasis
Future elementary school teachers are expected to be familiar with all of the subject matter taught in schools. Students seeking the Multiple Subject Credential must pass the CSET: Multiple Subjects examination. To support your preparation for the CSET, students are advised choose the Teacher Preparation emphasis for your courses beyond the core.

Students interested in becoming elementary or special education teachers should also attend an information meeting given by the Credential and Graduate Services Center. At the meeting, students learn all of the credential program admission requirements. Call (415) 405–3594 for more information. General information about teaching careers may be found at the Credential and Graduate Services Center in BH 244.

Complementary Studies
All students completing a B.A. degree must satisfy the 12 unit Complementary Studies requirement. Students who complete the Liberal Studies major will automatically satisfy complementary studies with 12 units of courses outside of the Liberal Studies prefix (LS) and not cross-listed with LS. Students must consult with an advisor to identify the courses that will be used to satisfy the requirement.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.

First Time Student Roadmap (4 Year)
This roadmap opens in a new tab. (bulletin.sfsu.edu/colleges/liberal-creative-arts/liberal-studies/ba-liberal-studies/roadmap.html)

Transfer Student Roadmap (2 Year)
For students with an AA-T in Elementary Teacher Education. This roadmap opens in a new tab. (bulletin.sfsu.edu/colleges/liberal-creative-arts/liberal-studies/ba-liberal-studies/adt-roadmap.html)

This degree program is an approved pathway (“similar” major) for students earning the ADT in Elementary Teacher Education

California legislation SB 1440 (2009) mandated the creation of the Associate Degree for Transfer (ADT) to be awarded by the California Community Colleges. Two types of ADTs are awarded: Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T). Note: no specific degree is required for admission as an upper-division student. However, the ADT includes specific guarantees related to admission and graduation, and is designed to clarify the transfer process and strengthen lower-division preparation for the major.

An ADT totals 60 units and includes completion of all lower-division General Education requirements and at least 18 units in a specific major. Students pursuing an ADT are guaranteed admission to the CSU if minimum eligibility requirements are met, though not necessarily to the CSU campus of primary choice.

Upon verification that the ADT has been awarded prior to matriculation at SF State, students are guaranteed B.A. or B.S. completion in 60 units if pursuing a “similar” major after transfer. Determinations about “similar” majors at SF State are made by faculty in the discipline.

Degree completion in 60 units cannot be guaranteed when a student simultaneously pursues an additional major, a minor, certificate, or credential.

A sample advising roadmap for students who have earned an ADT and continue in a “similar” major at SF State is available on the Roadmaps tab and displays:

• How many lower-division units required for the major have been completed upon entry based on award of a specific ADT;
• Which lower-division requirements are considered complete upon entry based on award of a specific ADT;
• How to complete the remaining 60 units for the degree in four semesters.

Students who have earned an ADT should seek advising in the major department during the first semester of attendance.

General Advising Information for Transfer Students
1. Before transfer, complete as many lower division requirements or electives for this major as possible.
2. The following courses are not required for admission, but are required for graduation. Students are strongly encouraged to complete these units before transfer; doing so will provide more flexibility in course selection after transfer.
   • a course in U.S. History
   • a course in U.S. & California Government
   • a 2nd-semester course in written English composition

For information about satisfying the requirements described in (1) and (2) above at a California Community College (CCC), please visit http://www.assist.org. Check any geographically accessible CCCs; sometimes options include more than one college. Use ASSIST to determine:

• Which courses at a CCC satisfy any lower division major requirements for this major, including 2nd-semester composition;

Remedial courses are not transferable and do not apply to the minimum 60 units/90 quarters required for admission.
Additional units for courses that are repeated do not apply to the minimum 60 units required for upper division transfer (for example, if course was not passed on the first attempt, or was taken to earn a better grade).

Before leaving the last California community college of attendance, obtain a summary of completion of lower division General Education units (IGETC or CSU GE Breadth). This is often referred to as a GE certification worksheet. SF State does not require delivery of this certification to Admissions, but students should retain this document for verifying degree progress after transfer.

Credit for Advanced Placement, International Baccalaureate, or College-Level Examination Program courses: AP/IB/CLEP credit is not automatically transferred from the previous institution. Units are transferred only when an official score report is delivered to SF State. Credit is based on the academic year during which exams were taken. Refer to the University Bulletin in effect during the year of AP/IB/CLEP examination(s) for details regarding the award of credit for AP/IB/CLEP.

Students pursuing majors in science, technology, engineering and mathematics (STEM) disciplines often defer 6-9 units of lower division general education in areas C and D until after transfer in order to focus on preparation courses for the major. (This advice does not apply to students pursuing associate degree completion before transfer.)

Transferring from institutions other than CCCs or CSUs

Review SF State’s lower division General Education requirements. Note that, as described below, the four basic skills courses required for admission meet A1, A2, A3, and B4 in the SF State GE pattern. Courses that fulfill the remaining areas of SF State’s lower division GE pattern are available at most two-year and four-year colleges and universities.

Of the four required basic skills courses, a course in critical thinking (GE A3) may not be widely offered outside the CCC and CSU systems. Students should attempt to identify and take an appropriate course no later than the term of application to the CSU. To review more information about the A3 requirement, please visit http://bulletin.sfsu.edu/undergraduate-education/general-education/lower-division/#AAEL.

Identify and complete a 2nd-semester written English composition course before transfer. This is usually the next course after the typical “freshman comp” course, with a focus on writing, reading and critical analytical skills for academic purposes, and developing skills in composing, revising, and the use of rhetorical strategies.

Waiting until after transfer to take a single course at SF State that meets both US and CA/local government requirements may be an appropriate option, particularly if transferring from outside of California.

All students must meet the transfer eligibility requirements outlined below for admission. For more information, visit the Undergraduate Admissions section.

- Complete 60 or more transferable semester units or 90 or more quarter units
- Earn a college grade point average of 2.00 or better in all transferable courses. Non-local area residents may be held to a higher GPA standard.
