---

1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet SF State Studies (AERM, GP, ES, SJ) and Ethnic Studies requirements within your GE or major.

3. Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (http://cms.sfsu.edu/content/student-center/). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (http://developmentalstudies.sfsu.edu/).
4 Complementary Studies
All students completing a B.A. degree must satisfy the 12 unit Complementary Studies requirement. Students who complete the Liberal Studies major will automatically satisfy Complementary Studies with 12 units of courses outside of the Liberal Studies prefix (LS) and not cross-listed with LS. Students must consult with an advisor to identify the courses that will be used to satisfy the requirement.

Students who have earned AA-T or AS-T degrees and are pursuing a similar B.A. degree at SF State are required to fulfill the Complementary Studies requirement as defined by the major department. Students should consult with a major advisor about how transfer units and/or SF State units can best be applied to this requirement in order to ensure degree completion within 60 units.

Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

7 Electives (15 units)
Choose one of the following options, in consultation with an advisor.
A. Complete at least 15 units that are part of a minor on campus. (In the case of 12-unit minors, choose an additional 3 units from the ESMR course list). Suggested minors include: Education, Special Education, any minor in Ethnic Studies, American Studies, California Studies, Comics Studies, Counseling, Holistic Health, Health Education, Earth Sciences, Communication Studies, any minor in Modern Languages (Chinese, French, German, Italian, Japanese, Persian, Russian), Humanities, Math, History, Global Peace Studies, Criminal Justice Studies, Women and Gender Studies.
B. Complete 15 units of additional courses (not already counted for the core) drawn from the Elementary Subject Matter Requirements. (See program website or advisor for full list of courses to choose from.)
C. In consultation with a faculty advisor, design and complete a 15-unit cross-disciplinary elective pattern on a particular topic.

8 Life and Physical Sciences
BIOL 300 Nature Study (3 units) (UD-B, ES)
BIOL 310 Biology for Today's World (3 units) (UD-B, ES, ESMR)*

LS 404 Social Science and Medicine (3 units) (UD-D, GP)
Elementary Subject Matter Requirements (ESMR)
Students who intend to enter a multiple subjects credential program (to become Elementary School teachers) will have either to pass the CSET exam or successfully complete an Elementary Subject Matter Requirements program. The ESMR program includes 84 units of coursework distributed across the major and GE (both lower- and upper-division). While SF State’s ESMR program has not yet been fully approved by the state, we expect it to be by June 2018. In the meantime, please consult with the LS advisor in selecting courses that are slated to be included in the ESMR program.
