¹ ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

² Required each semester for music majors.

³ To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.

⁴ Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their Student Center (<http://cms.sfsu.edu/content/student-center/>). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the Developmental Studies Office Website (<http://developmentalstudies.sfsu.edu/>).

⁵ **Complementary Studies**
 12 units of Complementary Studies are required of all candidates for the Bachelor of Arts degree in Music. These units must come from courses bearing a prefix other than MUS, and not cross-listed with MUS. Music majors will be offered several pathways toward completing this requirement, each of which is designed to facilitate graduation in a timely manner. Music majors may, with the approval of a MUS Program advisor, satisfy the Complementary Studies requirement by completing 12 units in a single foreign language of their choosing; 12 units from courses taken in a study abroad program; 12 units from courses taken as partial completion of a second major, minor, or certificate; or 12 units from courses in related disciplines. Related disciplines typically include: theater, dance, cinema, broadcast and electronic communications, creative writing, journalism, kinesiology, physical education, health education, holistic health, biology, elementary education, English, history, anthropology, business, and journalism. Up to 12 units of Complementary Studies may count toward the major for courses that are related to music, as determined by a major advisor.

The Bachelor of Arts in Music degree requires completion of the University General Education requirements, 45 units of requirements in Music appropriate to the degree emphasis, which includes concert attendance MUS 150 and additional elective units for a total of 120 units. *Additional elective units may be taken in Music, but a maximum of 60 units in Music may be counted towards the 120 units required for graduation.*

- Note:**
- Lower-division preparation for the Bachelor of Arts in Music should be completed during the first two years of study at SF State.
 - Lower-division preparation in Music must be completed prior to enrollment in upper-division Music coursework.
 - Students must enroll in MUS 150 (0 units) each semester in residence up to and including eight semesters.
 - A grade of C or better is required for all Music courses in the Bachelor of Arts in Music major.

⁶ Piano majors may substitute private lessons.

⁷ **Theory - 6 units**
 MUS 231 Species Counterpoint (3 units)
 MUS 232 Diatonic Harmony (3 units)
 MUS 233 Chromatic Harmony (3 units)
 MUS 234/TH A 234 Modern Musicianship: Theory, Application, and Ear Training I (3 units)
 MUS 235/TH A 235 Modern Musicianship: Theory, Application, and Ear Training II (3 units)

⁸ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

⁹ **Upper-Division Core (18 units)**
 18 units completed from the following categories (6 units per category) in consultation with a faculty advisor.
Theory and Practice
 MUS 433 Introduction to Music Technology (2 units) - **Note:** This course is already listed in the above roadmap. Students do not need to take it twice.
 Additional 4 units selected from MUS 400 - MUS 477
History and Literature
 Select 6 units from MUS 501 - MUS 559, excluding MUS 542GW
Instruction and Ensembles
 Select 6 units from MUS 371 - MUS 390. Students may fulfill a maximum of 2 of these 6 units from MUS 303, MUS 313, or MUS 353. Please note that private instruction and performance ensembles require audition.

¹⁰ **Upper-Division Electives (6-9 units)**

Select 6-9 units of coursework numbered above MUS 299 in consultation with a Music faculty advisor.

- * **Note:** A minimum of 30 upper-division units must be completed for the degree (including upper-division units required for the major, general education, electives, etc.). A student can complete this major yet not attain the necessary number of upper-division units required for graduation. In this case, additional upper-division courses will be needed to reach the required total.
