To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper division level; to include the following:

University–Wide Requirements: 9–12 units

- American Institutions (0–3 units): US History requirement if not completed prior to transfer. Please note: the US Government and California State and Local Government requirements were most likely completed as part of the AA-T. Check DPR to see whether this requirement is satisfied. If not, complete the requirement in place of a University Elective.
- Upper division GE, areas B, C, D (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering this major with the AA-T in Political Science are not required to fulfill SF State Studies requirements.
- Complementary Studies: consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

Political Science Major: 31–38 Units

PLSI 200 met in transfer.

- Core (4–10 units): PLSI 300, and PLSI 250 and PLSI 275 if not met in transfer
- University GWAR requirement: Take one upper-division course with GW suffix from either breadth or elective category.
- Breadth requirement (9-12 units): One upper division course from three of four sub-fields: American politics; comparative politics; political theory; public law. Note: PLSI courses are three or four units. See note 1 above.
- Electives (8-11 units): Up to eight upper-division units from areas outside of PLSI may be used with consent of a major advisor. See note 2 above.
- Senior Seminar: Culminating Experience (3–4 units): See note 3 above.

University Electives: Nine or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State - some courses may meet more than one requirement, e.g. in both UD GE and the major.
