Electives (8–11 Units)
It is recommended that elective units be taken in Political Science. However, up to 8 upper-division units may be selected from related departments with consent of a major advisor.

To Do at SF State:

University–Wide Requirements: 9–12 units
- American Institutions (0–3 units): US History requirement if not completed prior to transfer. Please note: the US Government and California State and Local Government requirements were most likely completed as part of the AA-T. Check DPR to see whether this requirement is satisfied. If not, complete the requirement in place of a University Elective.
- Upper-division GE areas B, C, and D (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering this major with the AA-T in Political Science are not required to fulfill SF State Studies requirements.
• Complementary Studies: consult with a department advisor on how transfer units and SF State units can be applied to ensure degree completion within 60 units.

Political Science Major: 31–38 Units

PLSI 200 met in transfer.

• Core (4–10 units): PLSI 250, PLSI 275, and PLSI 304 if not met in transfer
• University GWAR requirement: Take one upper-division course with GW suffix from either breadth or elective category.
• Breadth requirement (9-12 units): One upper division course from three of four sub-fields: American politics; comparative politics; political theory; public law. Note: PLSI courses are three or four units. See note one above.
• Electives (8-11 units): Up to eight upper-division units from areas outside of PLSI may be used with consent of a major advisor. See note 2 above.
• Senior Seminar: Culminating Experience (3–4 units): See note 3 above.

University Electives: 9 or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State - some courses may meet more than one requirement, e.g., in both UD GE and the major.
