### To Do at SF State:
Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level, to include the following:

#### University-Wide Requirements: 9–12 units
- American Institutions (0–3 units): US History requirement if not completed prior to transfer. Please note: the US Government and California State and Local Government requirements were most likely completed as part of the AA-T. Check DPR to see whether this
requirement is satisfied. If not, complete the requirement in place of a University Elective.

- Upper-division GE, areas B, C, D (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering this major with the AA-T in Political Science are not required to fulfill SF State Studies requirements.
- Complementary Studies: consult with a department advisor on how transfer units and SF State units can be applied to ensure degree completion within 60 units.

**Political Science Major: 31–38 Units**

PLSI 200 met in transfer.

- Core (4–10 units): PLSI 250, PLSI 275, and PLSI 304 if not met in transfer
- University GWAR requirement: Take one upper-division course with GW suffix from either the breadth or elective category.
- Breadth requirement (9-12 units): One upper-division course from three of four sub-fields. See note 1 above. Note: PLSI courses are three or four units.
- Electives (8-11 units): Up to eight upper-division units from areas outside of PLSI may be used with the consent of a major advisor. See note 2 above.
- Senior Seminar: Culminating Experience (3–4 units): See note 3 above.

**University Electives: 19 or More Units**

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State - some courses may meet more than one requirement, e.g., in both UD GE and the major.
