¹ ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

² To avoid taking additional units, it is recommended that you meet **SF State Studies** requirements (AERM, GP, ES, SJ) within your GE or major.

³ Depending on courses completed through Early Start, students in Pathway/Category III or IV may be required to enroll in a support course to complement their Quantitative Reasoning/B4 requirement. There are multiple course options for this pathway. Before enrolling in a B4 course, students should verify their MATH Pathway/Category in their [Student Center](#). Information regarding the courses that correspond with your MATH Pathway/Category can be found on the [Developmental Studies Office Website](#).

⁴ Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

⁵ **Complementary Studies**

Students completing a Bachelor of Arts in Women and Gender Studies are required to complete 12 units in Complementary Studies. Complementary Studies provides students with the opportunity to make connections across disparate forms of knowledge and inquiry. These units must come from courses bearing a prefix other than WGS and not cross-listed with WGS, and may be lower- or upper-division units, as well as resident or transfer units. Students who complete two majors or a major and minor automatically complete the Complementary Studies requirement. Otherwise, WGS majors can fulfill this requirement through one of six pathways:

1. 12 units through the study of a single language and/or literature other than English;
2. any 12 units taken in the College of Ethnic Studies;
3. 12 units from partial completion of a minor or certificate;
4. 12 units taken in an approved study abroad program (e.g., CSU Study Abroad); or,
5. 12 units from a coherent group of courses approved by a major advisor as complementary to the major.

Upon approval of the student's major advisor, up to 6 units of Complementary Studies may be used towards the WGS major (under the existing "outside coursework" allotment).

⁶ **Elective Courses (27 units)**

Electives in Women and Gender Studies courses. A maximum of 6 elective units may be lower-division and 6 units can be taken outside the WGS department (in other SF State departments or at other colleges/universities on issues, topics, or skills based upon academic
