1 PSY 435 also satisfies GE UD-D.

To Do at SF State:

Enough total units to reach 120 minimum for graduation; 40 units minimum at the upper division level; to include the following:
University–Wide Requirements: 6–15 Units
- ENG 214 or equivalent A4 course (0–3 units) if not taken before transfer
- American Institutions (0–6 units): US History, US Government, California State and Local Government requirements if not taken before transfer
- Upper division GE, areas B and C (9 units): Major requirement also satisfies UD-D. See notes.
- Students entering this major with the AA-T in Psychology are not required to fulfill SF State Studies requirements.
- Complementary Studies: consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

Psychology Major: 38 Units
PSY 200 met in transfer.
- Core Requirements (11 units)
- Basic Courses (18 units): Choose two courses from Areas 1, 2, and 3
- Electives (9 units): Choose courses in Areas 1–3 and/or additional upper-division psychology courses

University Electives: Seven or More Units
Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g. in both UD GE and the major.
