

FEES AND EXPENSES

Schedule of Tuition and Fees 2019-2020

The following reflects applicable system-wide tuition and fees and nonresident tuition for the semester system. Cash, personal check, and a certified check or money order may be used for payment of student tuition and fees. For credit card and electronic check payments, access the Bursar's Office webpage at bursar.sfsu.edu for more information.

Mandatory system-wide tuition fees are waived for those individuals who qualify for such exemption under the provisions of the California *Education Code* (see section on fee waivers).

The CSU makes every effort to keep student costs to a minimum. Tuition and fees listed in published schedules or student accounts may need to be increased when public funding is inadequate. Therefore, CSU reserves the right, even after initial payments are made, to increase or modify any listed tuition or fees. All listed fees, other than mandatory systemwide tuition, are subject to change without notice, until the date when instruction for a particular semester or quarter has begun. All CSU-listed tuition and fees should be regarded as **estimates** that are subject to change upon approval by the Board of Trustees, the chancellor or the presidents, as appropriate. Changes in mandatory systemwide tuition will be made in accordance with the requirements of the Working Families Student Fee Transparency and Accountability Act (Sections 66028 – 66028.6 of the Education Code).

Nonresident Tuition Fee (U.S. and International)

In addition to the regular tuition and registration fees listed above, nonresidents of the State of California must pay an additional \$396 per unit (or fraction) for nonresident tuition fee. The total nonresident tuition fee paid per term will be determined by the number of units taken.

Open University (Concurrent Enrollment)

Fees for extension courses are subject to change without notice.

- Fee per semester unit \$395.00

Fees are subject to change without notice. For the latest information on fees, go to the Bursar's Office web page at bursar.sfsu.edu/. For current information on Open University fees, call College of Extended Learning, (415) 338-1376.

Fee Payment Deadlines

Payment for Tuition and Fees must be received by the published Fee Payment Deadline to avoid any administrative late fees.

To remain enrolled in Priority Registration classes for the Fall, Spring, and Summer semesters, students must pay by the published fee payment deadline. Students who do not pay their fees by the published deadline are subject to enrollment cancellation.

Please refer to the Bursar's Office webpage at bursar.sfsu.edu for information regarding current fee payment deadlines.

Financial Aid Fee Payment Deadlines

If the Office of Student Financial Aid notifies you that you have been awarded and you have accepted an offer of Financial Aid, excluding college work-study, your tuition and fee payment will be postponed until the third week of the semester. You may register for classes without paying tuition fees up front. Do not apply for the University's Installment Payment Agreement unless your aid has been canceled. See Financial Aid Important Dates for more information. Aid must be disbursed by the third week of the semester to avoid the non-refundable administrative fee of \$20.

If a student is found ineligible for financial aid after they have enrolled in classes or if the financial aid is not sufficient to pay tuition and fees in full, the student is responsible for paying the fees or unpaid balance before the third week of the semester. Please refer to the Bursar's Office webpage at bursar.sfsu.edu/ for information regarding the current payment deadlines.

If you register for classes and decide not to attend SF State, you MUST drop all classes by the published refund deadline through the Student Center and/or in-person at the Registrar's Office. (See Refund Guidelines under Title IV – Return of Federal Financial Aid Fund Due to Withdrawal).

Installment Plans

All students who are eligible to enroll may use one of the installment plans offered by the university, with the exceptions of students with financial aid deferments, approved waivers or subsidies, or students who defaulted twice on their installment plan agreement in a previous semester. Students with outstanding financial obligations must pay their obligations before or at the time of their enrolling in the current semester's installment plan. For more information and a copy of the installment plan contract, go to the Bursar's Office webpage at bursar.sfsu.edu.
