

GUARDIAN SCHOLARS PROGRAM

The Guardian Scholars Program (GSP) is a comprehensive program of the Educational Opportunity Program (EOP), in collaboration with the School of Social Work, which serves former foster care youth who are pursuing their undergraduate degrees.

Through advocacy, support, and empowerment, the Guardian Scholars Program creates a vibrant community to engage current and former foster youth in attaining college degrees, stable housing, and career path employment. The program is committed to graduating and empowering these young people to become self-supporting community leaders and to become competent professionals in their fields of interest.
