General Admission Requirements and Procedures

Requirements for admission to San Francisco State University are in accordance with Title 5, Chapter 1, Subchapter 3, of the California Code of Regulations. Undergraduate applicants who are unsure of these requirements should consult a high school or community college counselor or San Francisco State University's Admissions Office. Complete information is available at [www.csumentor.edu/planning](http://www.csumentor.edu/planning).

Electronic CSU undergraduate applications are available at [www.csumentor.edu/](http://www.csumentor.edu/) through May 31, 2017. At that time the CSU is transitioning to a new application for all 23 campuses, Cal State Apply. The first semester of implementation will occur with the Spring 2018 admission cycle. More information about the new application process will be provided as it becomes available. Both the CSUMentor and Cal State Apply systems allow students to browse through general information about CSU's 23 campuses, view multimedia campus presentations, send and receive electronic responses to specific questions, and apply for admission and financial aid.

Applying online via [www.csumentor.edu](http://www.csumentor.edu) is expected unless electronic submission is impossible. An acknowledgment will be sent when online applications have been submitted. Application in “hard copy” form may be obtained online via [www.csumentor.edu](http://www.csumentor.edu) as a portable data format (PDF). Application forms (in PDF) may also be downloaded from [www.calstate.edu/sas/publications](http://www.calstate.edu/sas/publications). (Paper applications should be mailed to the campus admission office.)

Students without on-line access should contact any California high school, community college, or Office of Admissions at any of the campuses of the California State University. San Francisco State University accepts applications for admission for the fall and spring semesters only.

Importance of Filing Complete, Accurate, and Authentic Application Documents

SF State advises prospective students that they must supply complete and accurate information on the application for admission, residency questionnaire, and financial aid forms. Further, applicants must, when requested, submit authentic and official transcripts of all previous academic work attempted. Failure to file complete, accurate, and authentic application documents may result in denial of admission, cancellation of registration or academic credit, suspension, or expulsion (Section 41301, Article 1.1, Title 5, California Code of Regulations).

Cancellation of Admission

Admission will be canceled automatically if a student is accepted by San Francisco State University for a given semester and does not register for that semester. If the student wishes to undertake work at the University at a later date, he/she must file a new application, pay a new application fee, and meet the requirements for admission in effect at the time of admission.

Reservation

The University reserves the right to select its students and deny admission to the University or any of its programs as the University, in its sole discretion, determines appropriate based on an applicant's suitability and the best interests of the University.
