

SECONDARY EDUCATION

Graduate College of Education

Dean: Dr. Cynthia Grutzik

Department of Secondary Education

Burk Hall, Room 45

(415) 338-1201/1202

Website: <https://secondaryed.sfsu.edu/>

Email: seced@sfsu.edu

Chair: Dr. Larry Horvath

Our Mission

The Department of Secondary Education prepares reflective practitioners and leaders with strong grounding in equity and social justice to work in our public schools to inspire all their students to learn. We engage single subject teachers, present and future, in studying and supporting the learning of all students. We provide clinical opportunities for learning and practice research-based methods for teaching adolescents growing up in our urban communities.

Professor

Yanan Fan (2006), *Professor in Secondary Education*. Ph.D. Michigan State University.

Maika Watanabe (2003), *Professor in Secondary Education*. Ph.D. University of California, Berkeley.

Associate Professor

Bradley Fogo (2016), *Associate Professor in Secondary Education*. Ph.D. Stanford University.

Assistant Professor

Evra M. Baldinger (2019), *Assistant Professor in Secondary Education*. Ph.D. University of California, Berkeley.

Gilda M. Bloom (1988), *Assistant Professor in Secondary Education*. Ph.D. Stanford University.

Alex Feliciano Mejía (1922), *Assistant Professor in Secondary Education*. Ph.D. Stanford University.

Masters

- Master of Arts in Curriculum and Instruction (<https://bulletin.sfsu.edu/colleges/education/elementary-education/ma-curriculum-instruction/>)

S ED 200 Introduction to Teaching and Education (Units: 3)

Introduction to the field of education and to the profession of teaching. (Plus-minus letter grade only)

Course Attributes:

- 4: Social/Behavioral Sciences
- D1: Social Sciences

S ED 300 Education and Society (Units: 3)

Prerequisites: GE Areas 1A/A2*, 1B/A3*, 1C/A1*, and 2/B4* all with grades of C- or better or permission of the instructor.

Introduction to education and the role that education and schools play in society.

Course Attributes:

- 4UD: Social/Behavioral Science
- UD-D: Social Sciences

S ED 640 Supervised Observation and Participation in Public Schools (Units: 3)

Prerequisite: Concurrent enrollment in S ED 751.

A program of observation and participation in public schools under the guidance of a university supervisor including regular meetings for the analysis of field experiences. (CR/NC grading only) [CSL may be available]

Course Attributes:

- Teacher Credential Program Crs

S ED 660 Student Teaching - Single Subject (Units: 9)

Prerequisite: Admission to Credential Program or consent of the instructor.

Teaching experience in the public school under the guidance of a university supervisor with the cooperation of a supervising teacher. Open only to candidates formally approved by the Secondary Education Department. Requires a total of 18 units. (CR/NC grading only)

Course Attributes:

- Teacher Credential Program Crs

S ED 699 Independent Study (Units: 1-3)

Prerequisite: Restricted to Secondary Education graduate students and Single Subject Credential students or permission of the instructor.

An intensive study of a particular problem in education under the direction of a member of the department. Enrollment by petition approved by the instructor, adviser and department chair. Open to regularly enrolled students only.

S ED 701 Teaching for Equity in Secondary Schools (Units: 3)

Prerequisite: Credential and KIN ITEP* students; or permission of the instructor.

Examination of historical purposes of education, the influences of identity on schooling experience, school-based factors that contribute to inequitable outcomes, and our agency as teachers to make changes for equity. (Plus-minus letter grade only)

Course Attributes:

- Teacher Credential Program Crs

S ED 720 Critical and Digital Literacy Across Content Areas (Units: 3)

Prerequisite: Credential and KIN ITEP* students; or permission of the instructor.

Instructional strategies, grounded in theory and research, which help secondary school students use reading and writing to learn in all subject matter areas. Emphasis on supporting literacy development of culturally and linguistically diverse learners. (Plus-minus letter grade, CR/NC/RP grading)

Course Attributes:

- Teacher Credential Program Crs

S ED 725 Classroom Issues in Language, Literacy, and Culture (Units: 3)

Prerequisite: Permission of the instructor.

Research and theory on language and literacy development in linguistically and culturally diverse communities and classrooms, first and second language acquisition, emergent literacy, and the implications of research for culturally responsive teaching and classroom organization. (Plus-minus letter grade only)

(This course is offered as E ED 725 and S ED 725. Students may not repeat the course under an alternate prefix.)

S ED 751 Classroom Environment and Management (Units: 3)

Prerequisites: Credential and KIN ITEP* students; concurrent enrollment in S ED 640.

Creating and maintaining positive and productive learning environments. Emphases on preparation for supporting student teaching and performance assessment. (Plus-minus letter grade only) [CSL may be available]

Course Attributes:

- Teacher Credential Program Crs

S ED 752 Professional Perspectives and Practices (Units: 3)

Prerequisites: Credential and KIN ITEP* students; S ED 701, S ED 720, and S ED 751; concurrent enrollment in S ED 660.

Explore integrating, reflecting, and building knowledge and skills for teaching all students. Professional obligations and growth are also addressed. (Plus-minus letter grade only)

Course Attributes:

- Teacher Credential Program Crs

S ED 759 Curriculum and Instruction I (Units: 3)

Prerequisite: Admission to Credential program or permission of the instructor.

Content area to be specified in Class Schedule. Principles and practices for teaching secondary subjects, including the planning of content and instruction with consideration of student learning and state standards. May repeat when topics vary. (Plus-minus letter grade only)

Course Attributes:

- Teacher Credential Program Crs

Topics:

1. Curriculum and Instruction I: Mathematics
2. Curriculum and Instruction I: Science
3. Curriculum and Instruction I: Social Sciences

S ED 761 School Mathematics: Problem Solving (Units: 3)

Prerequisite: Graduate standing.

Curriculum development in mathematics. Problem solving strategies as a unifying theme for content selection. (Plus-minus letter grade only)
(This course is offered as E ED 761 and S ED 761. Students may not repeat the course under an alternate prefix.)

S ED 769 Curriculum and Instruction II (Units: 3)

Prerequisites: S ED 759; concurrent enrollment in S ED 660.

Principles and practices for teaching secondary subjects to all learners, with additional emphases on assessment, reflective practice, and technology. Subject area to be specified in the Class Schedule. May be repeated when topics vary. (Plus-minus letter grade only)

Course Attributes:

- Teacher Credential Program Crs

Topics:

1. Curriculum and Instruction II: Social Sciences
2. Curriculum and Instruction II: Mathematics
3. Curriculum and Instruction II: Science

S ED 770 Current Issues in Secondary Education (Units: 3)

Prerequisite: Graduate standing or permission of the instructor.

Examination of a variety of current issues important to secondary education professionals. (Plus-minus AB/NC)

S ED 774 Teacher Research Methodologies (Units: 3)

Prerequisite: Graduate standing or permission of the instructor.

Examination of methods of practitioner research that allow teachers to address problems of practice as they arise in the classroom. Students become familiar with relevant research literature and engage in targeted practitioner research relevant to their current teaching placement. (This course is offered as E ED 774 and S ED 774. Students may not repeat the course under an alternate prefix.)

S ED 780 Advanced Curriculum Development (Units: 3)

Prerequisite: Graduate standing or permission of the instructor.

Builds on curriculum development skills from the credential program to next steps in creating an innovative curriculum for secondary education programs.

(This course is offered as S ED 780 and E ED 780. Students may not repeat the course under an alternate prefix.)

S ED 790 Teaching Multilingual Learners in Secondary Schools (Units: 3)

Prerequisite: Credential and KIN ITEP* students, or permission of the instructor.

Examination of the sociocultural nature of learning a language, the experiences of multilingual students in public schools, and instructional strategies that promote their equitable, active participation in the classroom. (Plus-minus letter grade only) [CSL may be available]

Course Attributes:

- Teacher Credential Program Crs

S ED 796 Analyzing Cases of Mathematical Teaching (Units: 3)

Prerequisite: Graduate standing or permission of the instructor.

Cases of mathematics teaching practice are a catalyst for analytic discussion of assessment, mathematical representation, and student misconceptions. Teaching decisions are evaluated in the context of real classroom situations with regard to their impact on student learning, motivation, and beliefs. (Plus-minus letter grade only)
(This course is offered as E ED 796 and S ED 796. Students may not repeat the course under an alternate prefix.)

S ED 800 Adolescent Development (Units: 3)

Prerequisite: Credential and KIN ITEP*students, or permission of the instructor.

Covers learning theories, current social issues, and adolescent behaviors. Five areas of adolescent development (emotional, physical, moral, social, and cognitive) are examined as each pertains to middle and high school teaching and student learning. (Plus-minus letter grade only)

Course Attributes:

- Teacher Credential Program Crs

S ED 860 Culminating Experience Project Design (Units: 3)

Prerequisites: Graduate standing in secondary education or elementary education and approval of first reader.

Prepare student to apply lessons learned to their culminating experience project: thesis, field study or curriculum innovation project (CIP). (Plus-minus letter grade only)
(This course is offered as S ED 860 [formerly S ED 850] and E ED 860. Students may not repeat the course under an alternate prefix.)

S ED 895 Field Study (Units: 3)

Prerequisites: Permission of the graduate major advisor and approval of Advancement to Candidacy (ATC) and Culminating Experience (CE) forms by Graduate Studies. ATC and Proposal for Culminating Experience Requirement forms must be approved by the Graduate Division before registration.

(CR/NC; RP grading only)

S ED 898 Master's Thesis (Units: 3)

Prerequisites: Permission of the graduate major advisor and approval of Advancement to Candidacy (ATC) and Culminating Experience (CE) forms by Graduate Studies. Graduate Approved Program and Proposal for Culminating Experience Requirement forms must be approved by the Graduate Division before registration.

(CR/NC grading only)

S ED 899 Independent Study (Units: 1-3)

Prerequisite: Secondary Education and Math Education graduate students and Single Subject Credential students or permission of the instructor.

An intensive study of a particular problem in education under the direction of a member of the department. Enrollment by petition approved by the instructor, adviser, and department chair.
