SF State Studies or University Elective - Take Two | 6 Units
---|---
Total Units | 15

1. ENG 114 can only be taken if you complete Directed Self-Placement (DSP) and select ENG 114; if you choose ENG 104/ENG 105 through DSP you will satisfy A2 upon successful completion of ENG 105 in the second semester; multilingual students may be advised into alternative English courses.

2. To avoid taking additional units, it is recommended that you meet the SF State Studies (AERM, GP, ES, SJ) requirements within your GE or major.

3. The D1 course should be in one of the following categories: psychology, sociology, anthropology, or public health.

4. To determine the best B4 course option, students should complete the online advising activity at mathadvising.sfsu.edu (https://mathadvising.sfsu.edu/). Questions? Contact Gator Smart Start. (https://gatorsmartstart.sfsu.edu/)

5. Consider taking a class combined with a laboratory or a separate lab to fulfill B3 if not already satisfied.

6. The B1 course should be one of the following:
   - CHEM 101 Survey of Chemistry (3 units) (B1)
   - CHEM 180 Chemistry for Energy and the Environment (3 units) (B1, B3, ES)
   - PHYS 101 Conceptual Physics (3 units) (B1)
   - PHYS 111 General Physics I (3 units) (B1)
   - PHYS 220 General Physics with Calculus I (3 units) (B1)

7. A capstone ePortfolio assignment is required in the fall semester of the senior year, as part of the course requirements for SLHS 656GW.

* Given catalog rights, fall 2023 transfer students do not need to complete an Area F course.
