

BACHELOR OF ARTS IN AFRICANA STUDIES – AFRS ASSOCIATE DEGREE FOR TRANSFER (ADT) ROADMAP

This is a sample pathway for students who transfer to San Francisco State University in the current Bulletin year with an AA-T in African American Studies. All lower-division GE requirements and three units in the major (AFRS 101) have been satisfied. Check with a major advisor about the most appropriate course sequence. **Degree completion guaranteed in 60 units; see the Associate Degree for Transfer (ADT) section for more information (<https://bulletin.sfsu.edu/undergraduate-admissions/transfer-students/>).**

To Do at SF State:

Enough total units to reach 120 minimum for graduation; 30 units minimum at the upper-division level; to include the following:

University-Wide Requirements: 9-15 Units

- American Institutions (0-6 units): US History, US Government, CA State and Local Government requirements. If not completed before transfer, some major course options may also satisfy the requirement.
- Upper-Division GE (9 units): Courses required for the major may double-count if approved for UD GE.
- Students entering the major with an approved ADT are not required to fulfill SF State Studies requirements.
- Complementary Studies: Consult with a department advisor on how transfer units and/or SF State units can be applied to ensure degree completion within 60 units.

Africana Studies Major: 36 Units

AFRS 101 met in transfer.

- Core Requirements (24 units)
- Areas of Emphasis (9 units) – in consultation with a department advisor, choose three courses from Africana Humanities, Africana Behavioral and Social Sciences, Africana Educational Studies and Technology, Elijah Muhammad Studies, or Gender and Sexuality Studies.
- Graduation Writing Assessment Requirement/GWAR (3 units): ETHS 300GW.

University Electives: 12 or More Units

Depends on course choices made at the community college, how transferred units are applied to the requirements above, and course choices at SF State. Some courses may meet more than one requirement, e.g., in both UD GE and the major.
